- Responsive Design
- Adobe Suite
- Agile Methodologies

Experience

Scrum Master

Facets.cloud

Bangalore, Hybrid

Feb 2023 – Jan 2025

- Spearheaded Agile ceremonies for 20-25 members across front-end, back-end, and infrastructure teams.
- Resolved cross-functional task dependencies by ensuring transitions between teams, enhancing efficiency.
- Managed ad hoc tasks, reallocating resources to prevent team burnout and maintain sprint timelines.

Technical Writer

Facets.cloud

Bangalore, Hybrid

Dec 2022 – Jan 2025

- Authored 2-3 developer-focused documents weekly, addressing customer queries and end-user needs.
- Streamlined documentation processes, aligning deliverables with sprint planning for improved efficiency.
- Reduced repeat support queries through comprehensive user manuals, troubleshooting guides, and FAQs.

Technical Writer

Zoho Corporation

Chennai, Tamil Nadu

Nov 2019 – Nov 2022

- Created installation guides, user documentation, and FAQs for software integrations and configurations.
- Developed in-app content, improving user onboarding experiences and reducing setup time.
- Managed the documentation website and played a key role in its complete revamp.

Junior Designer (Internship)

ByteMindz Technologies

Chennai, Tamil Nadu

Jan 2019 – Apr 2019

- Worked independently as the sole designer, managing design style, format, and project timelines while collaborating with the team to ensure alignment with project requirements.
- Developed rough drafts based on project briefs, contributing to initial design concepts and iterations.
- Created concepts, graphics, and layouts for product illustrations, company logos, and websites, ensuring alignment with brand guidelines.

Education

Bachelor of Engineering - BE, Computer Science

Velammal Engineering College
